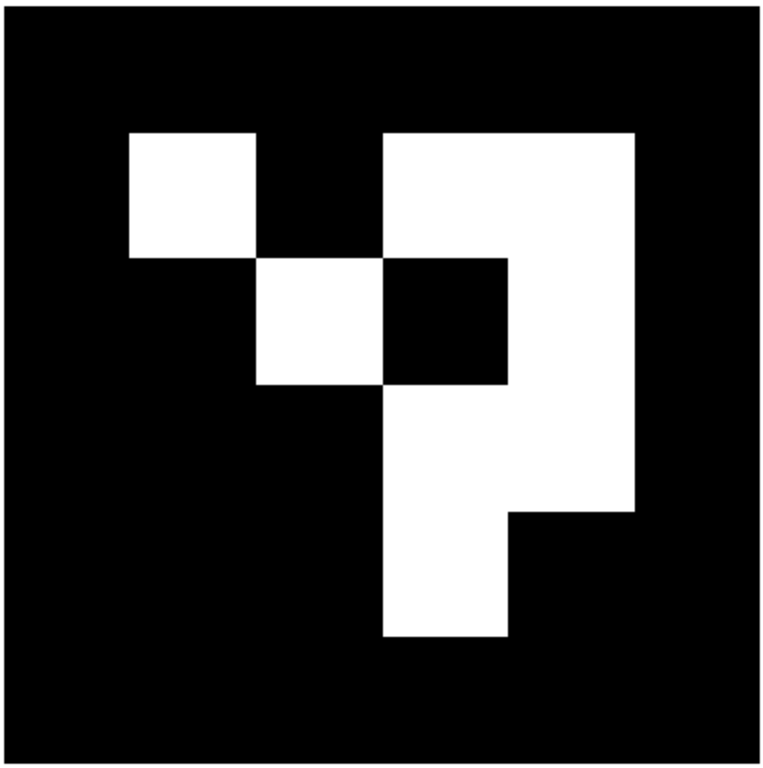
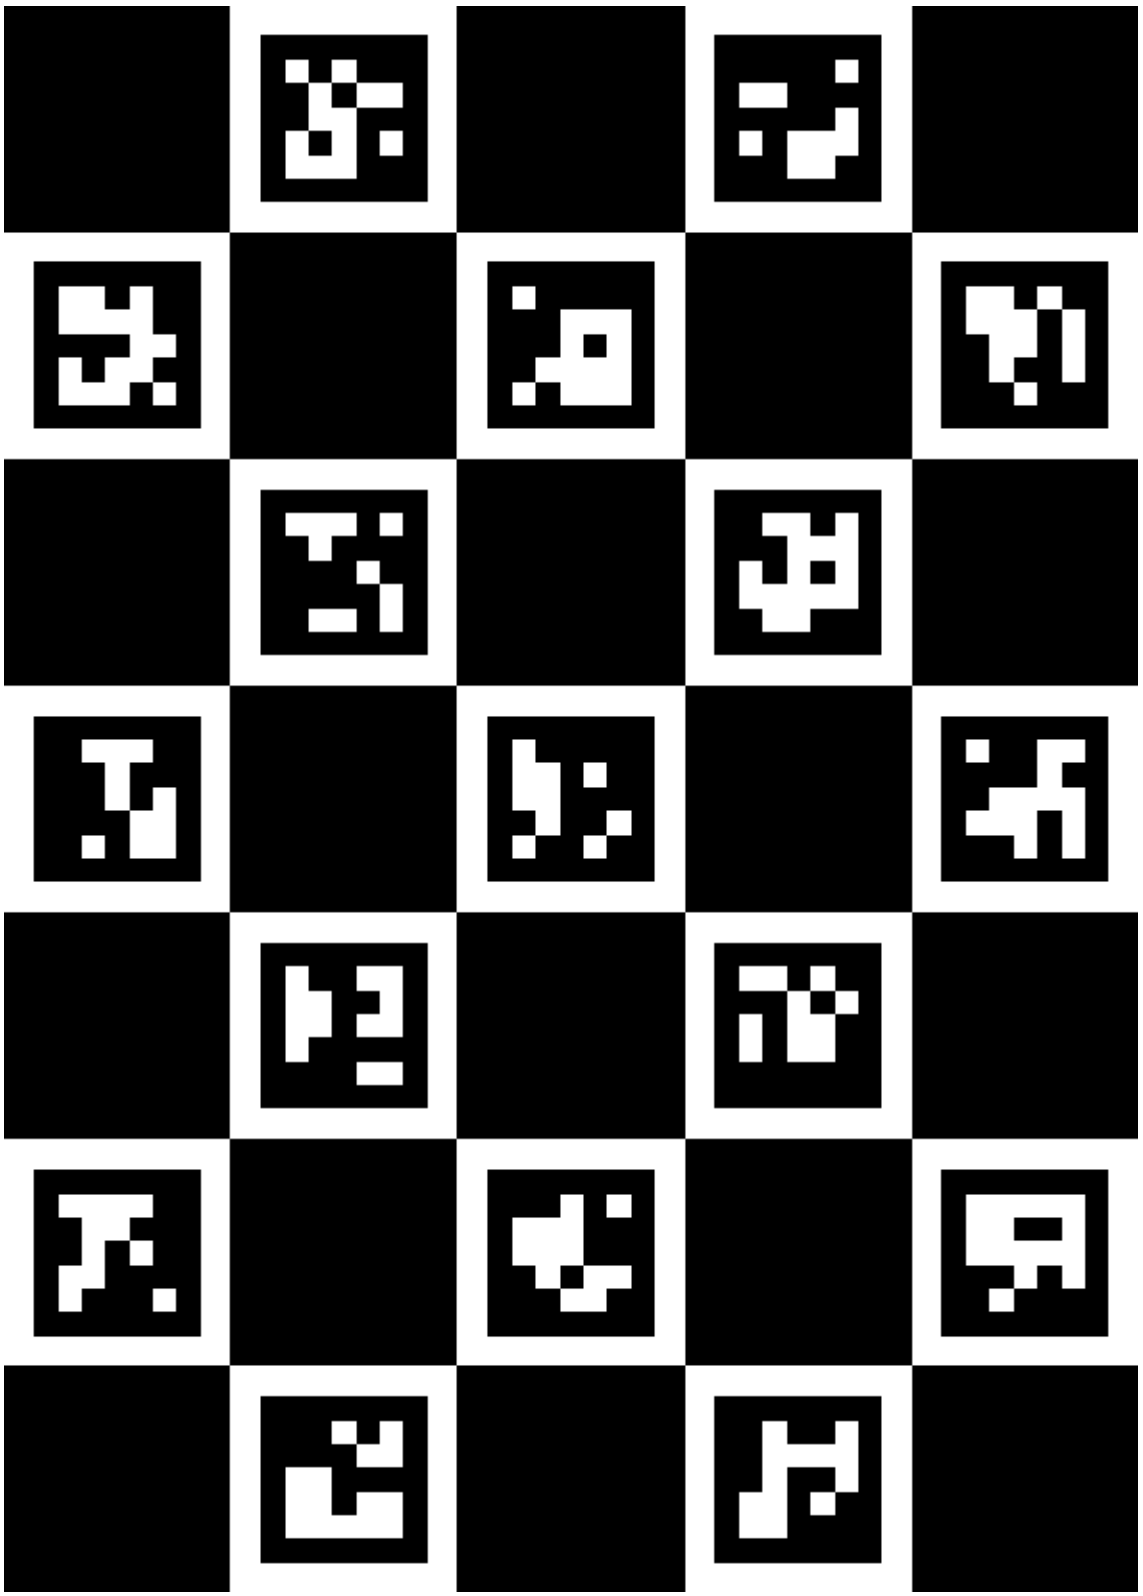
SO-101 desk anchor - ArUco 4x4 id 0



Print at 100% / 'Actual size' (no fit-to-page). The BLACK square must measure exactly 100 mm.
Tape it flat on the desk, fully visible to the overhead Astra, outside the arm's working area. Never move it afterwards.

Camera calibration board - ChArUco 5x7, 30 mm squares



Print at 100%. Each square must measure exactly 30 mm. Tape onto stiff cardboard so it stays perfectly flat.
